

Light Efficient Design

“ great feeling of security when out alone. ”

— PARK PATRON

LED-SAL

off-grid, no wiring

built in photocell & motion sensor

“ amazing job for a low cost. ”

— SUDBURY CITY OFFICIAL

30W | LED SOLAR AREA LIGHT | ALL-IN-ONE DESIGN

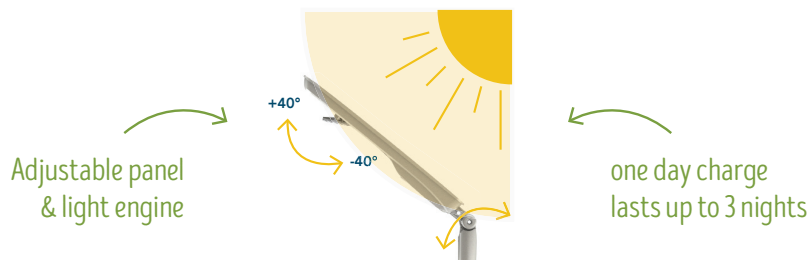

AZILDA DOG PARK,
SUDBURY, ON

ABOUT THE PROJECT

- Four 30W area lights
- Two 34ft poles
- New dog park without lighting in the past
- Park is 110ft across

The city did not have enough budget dollars to run power to the dog park. Solar Area Lights exceeded expectations and do an amazing job for very low cost.
